

INDIGENOUS TRIBES THAT WERE MATRIARCHAL MAY HAVE BEEN MORE LOGICAL IN THAT MEN WERE TRANSIENT. THEY WENT OUT, HUNTING, SCOUTING, AND RAIDING. MEN PROVIDED COMFORT AND RESOURCES AND DID WHAT THEY COULD TO MAKE THE LIVES OF WOMEN, AND CHILDREN, AND ELDER'S EASIER. MORE COMFORTABLE.

BUT THE WOMEN OWNED THE HOME, MANAGED CAMP. THE COLLECTIVE WISDOM OF THAT GROUP STAYED IN CAMP, CREATING ART, KEEPING STORIES, KEEPING ORDER.

IT IS WISE OF THE PEOPLE TO RECOGNIZE THE WISDOM IN SUCH AN ARRANGEMENT AND THE RESILIENCE THAT IT PROVIDES.

HOWEVER, HOW DOES THE 'WOMEN-LED' DEFAULT LEAVE THEIR OWN MEN BEHIND? THESE WARRIORS RARELY HAVE A FIGHT OR PURPOSE, AS EVERYTHING THEY TRADITIONALLY PROVIDED HAS OUTSOURCED TO WALMART, AMAZON, AND TECHNOLOGY.

A MATRIARCHAL STRUCTURE IS A VERY STRONG SYSTEM, BUT WE NEED TO FIND THE WAY TO INTEGRATE THE MODERN NATIVE MAN INTO THE STRUCTURE IN A STRONG REINFORCING ELEMENT.
