

THIS IS A LOW-TECH ENVIRONMENT. VERY LITTLE IS WIRELESS. AFTER A GENERATION OF PROSPERITY AND PEACE, LAX SECURITY AND ABHORRENT FOREIGN POLICY DREW AN ATTACK, THE FIRST IN THE SERIES OF WARS THAT WERE FOUGHT BY MILITARIES, BUT MAINTAINED BY BUSINESS VENTURES, MERCENAIRES BY ANY OTHER NAME, USUALLY SOMETHING WISHED IN CORPORATESS.

THE INTERNET IS YOUNG, <sup>HARD</sup> WIREN, NOT YET WIDELY ADOPTED BY SMALL BUSINESSES, BUT ALL LARGE CORPORATIONS LEVERAGE IT. CELLPHONES EXIST, BUT ARE LIMITED IN RANGE AND ABILITY.

IN THESE EARLY DAYS THE GROESOME PARTS OF WAR STAYED HIDDEN, A BURDEN CARRIED ONLY BY THOSE WHO WERE THERE FOR IT. THIS KEPT HORROR A VIABLE, EVEN ORDERED, TACTIC BY THOSE WHO REaped THEIR BENEFITS BUT CARRIED NONE OF THEIR BURDENS.

THESE EARLY DAYS OF THE CLASS WARFARING AGAINST WEALTHY CORPORATIONS WERE FORMED AS FURBILA WAR, TERRORISM, SIHADS, AND CRUSADES, AND LASTED UNTIL THE WORLD POSSESSED GLOBAL FIRE COMMUNICATION. THEN IT WAS UNMASKED AS POVERTY DISCONTENT AND CRIES FOR ECONOMIC FREEDOM.

KILLING WAS STILL DONE BY BULLET AND BLADE AND EYE TO EYE, BUT MOSTLY BY BOMB AND FAMINE. IT WAS THE UNMANNED BOMBERS THAT REALLY USHERED IN THE NEW ERA OF WAR.
